Objective III: Personally Challenging Goals

- Continue to support school counselors in the implementation and development of Student Success Plans (SSP) in grades 5-12.
- Begin a process to identify specific elements of SSPs that are developmentally appropriate for students in grades K-4 (i.e., goal-setting) and create a model that reviews and celebrates student accomplishments.
- Provide opportunities for students to demonstrate learning through multiple modes that encourage students to develop and capitalize on their talents and interests.
