Outdoor Explorers

July 8 – August 2

Monday – Friday | 9 am – 2 pm
at Sandy Hook Elementary School
Weekly Camp Sessions in July 2024

Outdoor, Interactive Games, Lessons and Learning!

This is a hands-on program that will bring children closer to nature; opening up a new world, while giving them life-long skills, knowledge, and experiences. Campers will meet and handle live animals, explore woodlands, streams, and wetlands, play, observe, build, and create in the natural world. Most importantly, campers will come and go home with dirt on their hands and a smile on their face!

Studies suggest this form of exploring can make children healthier, happier, and even smarter! Our main goal is to give children an opportunity to explore the outdoors, while maintaining a safe and healthy environment. Join educator, Mr. T, and explore beautiful nature trails and diverse environments.

- Campers should pack a brown bag lunch.
- Program is rain or shine.
- Nurse on-site.

Enrollment Opens March 1, 2024!
