

The Better Day Cafe, located inside the Newtown Community Center, is operated by NCP students. Students have been involved in all aspects of the Cafe since its inception in 2019. Our mission is to improve employment outcomes for people with disabilities, bring people of all ages and ability levels together and create an inclusive community environment while enjoying some really good food!

For more information about NCP or if your business is interested in joining the Partnership, please contact:

Newtown Community Partnership

Who We Are

Newtown Community Partnership (NCP), part of Newtown Public Schools, offers young adults with disabilities the opportunity to learn social skills, how to access the community, increase their independence, as well as gain vocational skills and experiences.

The Benefits

- Support students through personal discovery, encouragement and training
- Authentic work internships in the community
- Job Coach support with appropriate individual level of independence as goal
- Increase stamina and develop the skills to use natural supports to become an independent worker
- Interest testing, vocational assessments, and transferable skills analysis
- Paid work experiences with money used towards student program needs
- Learn how to access community services and public transportation
- Learn money/budgeting, cooking, shopping and problem-solving skills
- Assistance navigating adult benefits and appropriate agency referrals
- Working relationships built with peers, local community, employers, and State agencies

Celebrate diversity and support the community!
