

Re-Entry Committee
Governance Subcommittee Meeting
June 3, 2020
3:30 P.M.

Agenda

- I. Introductions
- II. Review your "pillar definition with group - begin to discuss the importance as it fits into overall plan.
- III. Emerging ideas - begin to review some ideas from previous information sent, including anything else group accesses. Emerging ideas will highlight barriers, other considerations, and contingencies.
- IV. Outline area of focus - areas that will become the framework for individual planning. Details and timelines can be future work, but can capture some of this in work along the way.
