Required COVID-19 Vaccinations

The Newtown Board of Education (the “Board”) recognizes the importance of protecting the health and safety of students, staff and the community during the COVID-19 pandemic. Therefore, in accordance with the Governor’s Executive Order, the Board authorizes the administration to develop a regulation concerning vaccination against COVID-19.

Legal Reference	Connecticut General Statutes 10-145 Certificate necessary to employment. Forfeiture for noncompliance. Substitute teachers. Governor’s Executive Order No. 13G, September 10, 2021 Governor’s Executive Order No. 14, September 28, 2021 Governor’s Executive Order No. 14a, September 30, 2021
-----------------	---

Policy adopted: January, 18, 2022

Personnel - Certified/Non-Certified

Required COVID-19 Vaccinations

Definitions

For purposes of this policy, the following definitions shall apply:

“Fully vaccinated” means at least 14 days have elapsed since a person has received the final dose of a vaccine approved for use against COVID-19 by the U.S. Food and Drug Administration, or as otherwise defined by the Centers for Disease Control.

“Contract Worker” means any person who provides service to the Board requiring such person to make regular and frequent visits to district schools or to have regular or frequent contact with students or staff, but who is not employed by the Board, excluding any person who visits a Board school only to provide one-time or limited-duration repairs, services, or construction, or a volunteer.

“Covered Worker” refers to all employees, both full and part-time, contract workers, contractors, providers, assistants, substitutes, and other individuals working in a district school including individuals providing operational or custodial services or administrative support or any person whose job duties require them to make regular or frequent visits to any district schools or to have regular or frequent contact with students or staff.

Covered Worker does not include a contractor or employee of an outside vendor who visits a district school only to provide one-time or limited-duration repairs, services, or construction, or a volunteer.

“Contractor” refers to any person or business entity, including a vendor of support services or subcontractor, that provides the personnel who function as contract workers, or covered workers for the Board.

COVID-19 Vaccination Requirements

Vaccines shall be required as provided below.

Personnel - Certified/Non-Certified

Required COVID-19 Vaccinations

COVID-19 Vaccination Requirements (continued)

On and after September 27, 2021, the Board shall not employ, or maintain a contract for the provision of in-person services of, any covered worker or an entity that employs a covered worker, unless such covered worker:

1. is fully vaccinated against COVID-19,
2. has received the first dose and has either received a second dose or has an appointment for the second dose in a two-dose series vaccination, such as Pfizer or Moderna vaccines, or has received a single-dose vaccine, such as Johnson & Johnson's Janssen vaccine, or
3. is exempt from this requirement because a physician, physician's assistant, or advanced practice registered nurse determined that the administration of COVID-19 vaccine is likely to be detrimental to the covered worker's health, or the individual objects to vaccination on the basis of a sincerely held religious or spiritual belief, and the covered worker is able to perform their essential job functions with a reasonable accommodation that is not an undue burden on the school board or child care facility; provided that any school board or childcare facility employee claiming such exemption shall apply for an exemption due to medical conditions or sincerely held religious or spiritual beliefs.

Each request for an exemption will be considered on an individualized, case by case basis. Employees who have applied for an exemption must provide appropriate supporting documentation upon request.

4. A covered worker who is hired before September 27, 2021 may, as an alternative to vaccination, and regardless of whether such worker has a medical or religious exemption, comply with the testing requirements contained within this policy.
5. The Board will not employ, or contract for the provision of services from, any covered worker or entity that employs a covered worker subject to the conditions above and is not exempt who has received the first dose of a two-dose series vaccination but fails to receive the second dose on the appropriate date as recommended by CDC or at the scheduled appointment without good cause.

Vaccination Verification and Testing for Covered Workers

The school board shall authenticate, or where applicable require that the contractor providing the services of a covered worker authenticate, the vaccination status of covered workers, maintain documentation of vaccination or exemption of such covered workers and report compliance with this order, in a form and manner directed by the Department of Public Health.

Beginning September 27, 2021, covered workers who have not demonstrated proof of full vaccination are required to submit to COVID-19 testing one time per week on an ongoing basis until fully vaccinated. Adequate proof of the test results on a weekly basis shall be presented to the Board in a form prescribed by the Board.

Personnel - Certified/Non-Certified

Required COVID-19 Vaccinations (continued)

Vaccination Verification and Testing for Volunteers

While we appreciate and recognize community members who want to volunteer in our schools, we also want to keep our staff and students safe. As of January 15, we will be asking volunteers to present proof of COVID-19 vaccination OR a negative COVID test result within the previous 72 hours of the time a volunteer will be working in the school. If a volunteer will be present in the school beyond one week (5 school days) from the date of the negative test, he or she would be asked to test again for each subsequent week.

Acceptable Proof of Vaccination

Covered workers may demonstrate proof of vaccination by providing one of the following:

1. A valid CDC COVID-19 Vaccination Record Card or photo of the Vaccination Record Card;
2. Documentation from a health care provider or electronic health care records;
3. A certificate from the Vaccine Administration Management System (VAMS), if the individual received vaccination through the VAMS system; or
4. A copy of the individual's official immunization record from the Connecticut Immunization Information System, CT WiZ.

Covered workers must also complete and sign a Declaration Attesting to the Authenticity of an Individual's COVID-19 Vaccination Record, provided by the Board. Proof of vaccination will not be deemed valid unless accompanied by the individual's signed declaration. The District reserves the right to authenticate a Vaccination Record Card in a manner consistent with any binding standards issues by the Commissioner of Public Health for such authentication.

Personal attestation will not be accepted as an acceptable form of proof of a COVID-19 vaccination. (*The Commissioner of Public Health may promulgate binding standards for authentication of a Vaccination Record Card.*)

All proof of vaccination must contain the name and date of birth of the individual, the manufacturer of the COVID-19 vaccine that was administered, and the date(s) on which the vaccine was administered. Employees must not include any additional medical or genetic information with proof of vaccination.

Violations and Enforcement

Any covered worker who fails to comply with this policy shall not be allowed on the premises of the school board until the individual provides adequate proof of compliance or without prior written authorization of the school board.

Personnel - Certified/Non-Certified

Required COVID-19 Vaccinations (continued)

The school board recognizes that it will be in violation of this policy, based on the Governor's Executive Order, when it permits a covered worker who has not complied with this policy to be in a pre-K through grade 12 school, to make regular or frequent visits to any such school facility, or to have regular or frequent contact with children in child care, students, or staff.

The school board also commits a violation if it fails to authenticate the vaccination status of a covered worker or contract worker, maintain documentation of vaccination, testing, or allowable exemptions as required.

The Board recognizes that if the State Department of Education (SDE) determines that the Board is not in compliance with the requirements of this policy, the SDE may require Board to forfeit a portion of the total sum which is paid to the school board from the State Treasury in an amount to be determined by the Commissioner of Education, which amount shall be not less than one thousand dollars nor more than ten thousand dollars.

Any forfeited amount shall be withheld from a grant payment, as determined by the Commissioner, during the fiscal year following the fiscal year in which noncompliance is determined. (The Commissioner of Education may waive such forfeiture if the Commissioner determines that the failure of a school board to comply with such a provision was due to circumstances beyond its control.)

Policy Duration

This policy shall remain in effect through February 15, 2022 unless earlier modified or terminated by the Board.

Please Note: These minutes are pending Board approval.

MOTION: Mr. Cruson moved that the Board of Education approve the consent agenda which includes the correspondence report. Mrs. Plante seconded. Motion passes unanimously.

Item 3 – Public Participation - none

Item 4 – Reports

Chair Report: Ms. Zukowski spoke about graduation and welcomed Shannon Tomai and Todd Higgins, the two new Board members, who appreciated the opportunity to serve.

Superintendent's Report: Mr. Melillo spoke about the move back to Hawley School. A two-day program was conducted at the Community Center for Hawley students and he thanked Matt Ariniello and the district staff for help with bus duty. We are applying for a grant through the Primary Mental Health Program from the State Board of Education for \$20,000 each year for two years. This would be for a paraprofessional who will receive specialized training to address mental health needs of our students. We received funds from a Perkins Grant and purchased a food truck for the high school for automotive students to learn how to design and retrofit the truck.

Mr. Melillo noted that the switch gear for the Hawley HVAC project was delayed until August 14 so we will use alternative equipment to have the building up and running with 2/3 of the school being air conditioned. This is a result of issues regarding the supply chain.

Mr. Higgins questioned if there was any collaboration from industry for the food truck. Mr. Melillo said he was going to be collaborating with our food service vendors. This work will incorporate many courses in the high school.

Mrs. Tomai asked who would be paying for any needed equipment for Hawley School. Mr. Melillo stated there was money set aside if this were to happen so we have a \$50,000 contingency for the Hawley project.

Committee Reports:

Mrs. Plante reported that the CFF committee met last night and reviewed the financial report. We will start work on the CIP and give a full presentation to the Board in August.

Financial Report and Transfers:

MOTION: Mr. Cruson moved that the Board of Education approve the financial report and transfers for the month ending May 31, 2023. Mr. Ramsey seconded.

Mrs. Vadas presented the financial report and answered questions from the Board.
Motion passes unanimously.

Item 5 – Presentations

Social Emotional Supports:

Anne Dalton spoke about social emotional health and well-being in the schools. She provided information on programs in the schools and data on various surveys conducted.

Mr. Higgins said in looking at the survey trends asked if the district has help regarding this information.

Mrs. Dalton reported that we work with the consultant on the survey results to present it in a meaningful way.

Mr. Melillo said that regarding the number of incidents in the schools, we have faculty and staff who will look at the data points and see how we can support our students. We have a set protocol on what we have to do but each child is different.

Mrs. Uberti said regarding the incident log, it also includes a record of a disciplinary event such as pushing another student. The categories are dictated by the state. It's been difficult to know how each administrator labels a disciplinary event.

Chartwells Update:

Mrs. Vadas introduced Jamie Davies, Chartwells district manager, John Morris, director of dining services, and support managers Bill Devoe and Judit Hajba. Mr. Davies gave an update on their food service. She noted that she witnessed the Reed School mood boost in action where they discussed how the food affected their brain. Every child participated. We are also going to look into the recycling program and there is a learning component with grants available.

Item 6 – Old Business

Second Read of Gr. 7 and 8 Kitchen Science Curriculum:

Item 6 – Old Business continued

Strategic Plan Update and Possible Action:

Richard Lemons gave an overview of the process for the strategic plan and portrait of a graduate and spoke about the four district priorities and strategic actions and also how the plan will be used by the Board, the district, and school leadership teams, and how the Communications Committee will publish the plans.

Mr. Higgins referred to a graphic around social and emotional learning and was trying to track putting students on the path and how it translated into the strategic plan. He asked what the collaboration was on the plan in this area.

Mr. Lemons reported that there is evidence that points to the importance of social emotional development and skills necessary to thrive in the world and the core components of being academically successful in school. The planning committee recognized that this work was important. This was a strong set of assets for Newtown. It didn't need to be a fourth goal because of the progress that has been made.

Mr. Melillo said we acknowledge the social emotional component was important. This component needs to be woven into the curriculum pieces and we have been doing that. We have looked at data points and we have processes in place looking at data to ensure student needs are being met. We looked at where our needs were and where we had to improve to move our students to the next level.

Mrs. Uberti said it has been an intense focus the past decade. We try to build competencies in students to be able to do the things in the plan.

Ms. Zukowski stated that we have the strategic plan but we have to ensure that it will be successful.

Mr. Lemons agreed with Ms. Zukowski. All schools will be asked to look at the plan and build their school community tied to the data of the schools priorities. Schools will share their strategic plan and compare with other schools.

Mr. Melillo met with Mr. Lemons about having leadership teams regarding what goals will be made. At our administrators retreat we will discuss this and develop school improvement plans. Hopefully, the schools will have a working plan in place at the start of the school year.

Mr. Higgins said there is a reference to annual performance and asked if the benchmarks have been identified and goals to say this is where we are, this is where we want to be, and to assess where we are in the development of this plan.

Mr. Melillo noted that we aren't there right now. We had to have the Board approve the plan first. We want to have preliminaries around structures when we pull data and who will be on the teams.

Mrs. Tomai proposed to add a reference in priority #2 so it doesn't get lost in the portrait of the graduate.

Mr. Melillo said we've taken feedback from a multitude of people but we can approve the plan as is and come back with that in it. There's a nod to the DEI plan and we can add the Casel standards as a reference to the work we are doing.

MOTION: Mr. Cruson moved that the Board of Education approve the Newtown Public Schools Strategic Plan. Mrs. Plante seconded.

MOTION: Mrs. Tomai moved to amend the motion to add a reference to social emotional learning, specifically Casel and add a reference to social emotional learning, specifically Casel, in Priority 2, portrait of the graduate. Mr. Higgins seconded.

Mr. Cruson appreciated the amendment but feels this is such a foundational piece to the district it doesn't need to be spelled out in the plan. The Board does feel it's a priority but he was not in favor of adding the Casel framework as a bullet in the strategic plan.

Mrs. Uberti said it was important to not think of this as a checklist. The school teams come together to reflect the needs of their school. They should build action steps in their building. There may be other parts of the plans their goals are connected to. She liked to add the social emotional piece. There is funding for mental health and social emotional learning so it makes sense to put it in there.

MOTION: Mrs. Tomai moved to remove her amendment. Mr. Higgins seconded.

MOTION: Mrs. Tomai moved to amend the motion to add under Priority 2, Section 3, create a comprehensive plan to help all students achieve the portrait of the graduate, including an assessment process. The new language would be consistent with the social emotional learning standards of the Newtown Public School District. Mr. Vouros seconded.
