

May 3, 2020

Dear Parents and Staff,

We wanted to confirm that our last "official" day of school for students and staff will be **Tuesday, June 16**. While there are still many other decisions to make that require communication from the Governor's Office, including any changes to the current return to school date, we wanted to clarify the last day of school. We will revise any calendars to reflect this date.

Stay well and I hope you enjoyed this beautiful Sunday.

Dr. Lorrie Rodrigue
